Claim Rejections - 35 USC § 112

Claims 1-4,9-11,13-18 and 68-77 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 1, "said cover moving across said swimming pool" constitutes a method limitation in an otherwise article claim, rendering the scope of the claim ambiguous.

In claim 13, "can operate a subaqueously located or an elevated cover drum" does not acknowledge the previous recitation of the cover drum.

In claim 27, "travel limiting end positions" is indefinite since "positions" does not represent a structural element.

Claim 76 references a "pool" cover. However, independent claim 27 has been amended by deleting "pool".

Allowable Subject Matter

Claims 1-4,9-11,13-18 and 68-77 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action.

Claims 19,22,24,26,27,46,47 and 79-88 are allowed.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
